Deel's the only HR platform with everything you need, for everyone

We're making global team management so easy, businesses don't need to think twice. Whether you want to hire contractors and employees worldwide without opening legal entities, streamline HR for your global team, or consolidate payroll for everyone —Deel does it all (while keeping you compliant).

Request A Demo

EOR employees
Easily hire and pay employees where you don't have entities with Deel's worldwide infrastructure.

Contractors
Work with contractors anywhere with built-in compliance, automated invoicing, and effortless global payments.

Direct employees
Quickly onboard and pay direct employees hired through your entities to consolidate processes.

Build confidence in your compliance with the #1 Global HR platform

Whether you have a domestic team or a growing worldwide workforce, Deel HR is custom-built for every worker, in any country, so you can compliantly manage everyone in one place.
